### Kindergarten

- **Grade One**: Focus on foundational skills.
- **Grade Two**: Expand skills in reading, writing, and mathematics.
- **Grade Three**: Continue to build on foundational skills.
- **Grade Four**: Focus on critical thinking and problem-solving.
- **Grade Five**: Strengthen skills in all core subjects.
- **Grade Six**: Expand knowledge and skills.
- **Grade Seven**: Prepare for transition to middle school.
- **Grade Eight**: Focus on advanced skills and applications.

### Mathematics
- **Kindergarten**
  - Number sense and operations
  - Geometry and measurement
  - Data analysis and probability

- **Grade One**
  - Number sense and operations
  - Geometry and measurement
  - Data analysis and probability

- **Grade Two**
  - Number sense and operations
  - Geometry and measurement
  - Data analysis and probability

- **Grade Three**
  - Number sense and operations
  - Geometry and measurement
  - Data analysis and probability

- **Grade Four**
  - Number sense and operations
  - Geometry and measurement
  - Data analysis and probability

- **Grade Five**
  - Number sense and operations
  - Geometry and measurement
  - Data analysis and probability

- **Grade Six**
  - Number sense and operations
  - Geometry and measurement
  - Data analysis and probability

- **Grade Seven**
  - Number sense and operations
  - Geometry and measurement
  - Data analysis and probability

- **Grade Eight**
  - Number sense and operations
  - Geometry and measurement
  - Data analysis and probability

### Visual Arts
- **Kindergarten**
  - Introduction to art concepts and practices
  - Basic art skills and techniques

- **Grade One**
  - Basic art skills and techniques
  - Introduction to art concepts and practices

- **Grade Two**
  - Basic art skills and techniques
  - Introduction to art concepts and practices

- **Grade Three**
  - Advanced art skills and techniques
  - Exploration of art concepts and practices

- **Grade Four**
  - Advanced art skills and techniques
  - Exploration of art concepts and practices

- **Grade Five**
  - Advanced art skills and techniques
  - Exploration of art concepts and practices

- **Grade Six**
  - Advanced art skills and techniques
  - Exploration of art concepts and practices

- **Grade Seven**
  - Advanced art skills and techniques
  - Exploration of art concepts and practices

- **Grade Eight**
  - Advanced art skills and techniques
  - Exploration of art concepts and practices

### Language Arts
- **Kindergarten**
  - Reading and writing skills
  - Listening and speaking skills

- **Grade One**
  - Reading and writing skills
  - Listening and speaking skills

- **Grade Two**
  - Reading and writing skills
  - Listening and speaking skills

- **Grade Three**
  - Reading and writing skills
  - Listening and speaking skills

- **Grade Four**
  - Reading and writing skills
  - Listening and speaking skills

- **Grade Five**
  - Reading and writing skills
  - Listening and speaking skills

- **Grade Six**
  - Reading and writing skills
  - Listening and speaking skills

- **Grade Seven**
  - Reading and writing skills
  - Listening and speaking skills

- **Grade Eight**
  - Reading and writing skills
  - Listening and speaking skills

### Social Studies
- **Kindergarten**
  - Basic social studies concepts
  - Community and neighborhood

- **Grade One**
  - Basic social studies concepts
  - Community and neighborhood

- **Grade Two**
  - Basic social studies concepts
  - Community and neighborhood

- **Grade Three**
  - Advanced social studies concepts
  - Community and neighborhood

- **Grade Four**
  - Advanced social studies concepts
  - Community and neighborhood

- **Grade Five**
  - Advanced social studies concepts
  - Community and neighborhood

- **Grade Six**
  - Advanced social studies concepts
  - Community and neighborhood

- **Grade Seven**
  - Advanced social studies concepts
  - Community and neighborhood

- **Grade Eight**
  - Advanced social studies concepts
  - Community and neighborhood

### Spanish
- **Kindergarten**
  - Basic Spanish concepts
  - Communication and culture

- **Grade One**
  - Basic Spanish concepts
  - Communication and culture

- **Grade Two**
  - Basic Spanish concepts
  - Communication and culture

- **Grade Three**
  - Advanced Spanish concepts
  - Communication and culture

- **Grade Four**
  - Advanced Spanish concepts
  - Communication and culture

- **Grade Five**
  - Advanced Spanish concepts
  - Communication and culture

- **Grade Six**
  - Advanced Spanish concepts
  - Communication and culture

- **Grade Seven**
  - Advanced Spanish concepts
  - Communication and culture

- **Grade Eight**
  - Advanced Spanish concepts
  - Communication and culture

### World Language
- **Kindergarten**
  - Basic world language concepts
  - Communication and culture

- **Grade One**
  - Basic world language concepts
  - Communication and culture

- **Grade Two**
  - Basic world language concepts
  - Communication and culture

- **Grade Three**
  - Advanced world language concepts
  - Communication and culture

- **Grade Four**
  - Advanced world language concepts
  - Communication and culture

- **Grade Five**
  - Advanced world language concepts
  - Communication and culture

- **Grade Six**
  - Advanced world language concepts
  - Communication and culture

- **Grade Seven**
  - Advanced world language concepts
  - Communication and culture

- **Grade Eight**
  - Advanced world language concepts
  - Communication and culture

### Visual Programming
- **Kindergarten**
  - Basic visual programming concepts
  - Technology and design

- **Grade One**
  - Basic visual programming concepts
  - Technology and design

- **Grade Two**
  - Basic visual programming concepts
  - Technology and design

- **Grade Three**
  - Advanced visual programming concepts
  - Technology and design

- **Grade Four**
  - Advanced visual programming concepts
  - Technology and design

- **Grade Five**
  - Advanced visual programming concepts
  - Technology and design

- **Grade Six**
  - Advanced visual programming concepts
  - Technology and design

- **Grade Seven**
  - Advanced visual programming concepts
  - Technology and design

- **Grade Eight**
  - Advanced visual programming concepts
  - Technology and design

### Computer Science
- **Kindergarten**
  - Basic computer science concepts
  - Technology and design

- **Grade One**
  - Basic computer science concepts
  - Technology and design

- **Grade Two**
  - Basic computer science concepts
  - Technology and design

- **Grade Three**
  - Advanced computer science concepts
  - Technology and design

- **Grade Four**
  - Advanced computer science concepts
  - Technology and design

- **Grade Five**
  - Advanced computer science concepts
  - Technology and design

- **Grade Six**
  - Advanced computer science concepts
  - Technology and design

- **Grade Seven**
  - Advanced computer science concepts
  - Technology and design

- **Grade Eight**
  - Advanced computer science concepts
  - Technology and design

### Arts and Design
- **Kindergarten**
  - Basic arts and design concepts
  - Technology and design

- **Grade One**
  - Basic arts and design concepts
  - Technology and design

- **Grade Two**
  - Basic arts and design concepts
  - Technology and design

- **Grade Three**
  - Advanced arts and design concepts
  - Technology and design

- **Grade Four**
  - Advanced arts and design concepts
  - Technology and design

- **Grade Five**
  - Advanced arts and design concepts
  - Technology and design

- **Grade Six**
  - Advanced arts and design concepts
  - Technology and design

- **Grade Seven**
  - Advanced arts and design concepts
  - Technology and design

- **Grade Eight**
  - Advanced arts and design concepts
  - Technology and design

### Physical Education
- **Kindergarten**
  - Basic physical education concepts
  - Motor skills and coordination

- **Grade One**
  - Basic physical education concepts
  - Motor skills and coordination

- **Grade Two**
  - Basic physical education concepts
  - Motor skills and coordination

- **Grade Three**
  - Advanced physical education concepts
  - Motor skills and coordination

- **Grade Four**
  - Advanced physical education concepts
  - Motor skills and coordination

- **Grade Five**
  - Advanced physical education concepts
  - Motor skills and coordination

- **Grade Six**
  - Advanced physical education concepts
  - Motor skills and coordination

- **Grade Seven**
  - Advanced physical education concepts
  - Motor skills and coordination

- **Grade Eight**
  - Advanced physical education concepts
  - Motor skills and coordination

### Language Arts
- **Kindergarten**
  - Basic language arts concepts
  - Communication and culture

- **Grade One**
  - Basic language arts concepts
  - Communication and culture

- **Grade Two**
  - Basic language arts concepts
  - Communication and culture

- **Grade Three**
  - Advanced language arts concepts
  - Communication and culture

- **Grade Four**
  - Advanced language arts concepts
  - Communication and culture

- **Grade Five**
  - Advanced language arts concepts
  - Communication and culture

- **Grade Six**
  - Advanced language arts concepts
  - Communication and culture

- **Grade Seven**
  - Advanced language arts concepts
  - Communication and culture

- **Grade Eight**
  - Advanced language arts concepts
  - Communication and culture
OUTDOOR EDUCATION

Outdoors and in the classroom, Hamlin seeks to inspire curiosity and appreciation for the natural world through exploration and discovery. Development of interpersonal relationships through stewardship, connectedness, and leadership. Encourage the intrapersonal growth of self-esteem, confidence, courage, and competence. Teach the Leave No Trace® Philosophy.

*Due to COVID-19, all outdoor education trips during the 2020-21 school year have been cancelled.

GLOBAL CITIZENSHIP PROGRAM

The Global Citizenship Program prepares empathic leaders who are inspired to sustain and conserve the earth’s resources, communicate, understand, and solve problems in an increasingly interconnected world and economy, while seeking to promote freedom for all.

As global citizens, our girls explore the world both locally and globally and become stewards of their futures. An integral part of the program is ensuring that enduring understandings of global citizenship lead to action. Integrated throughout the entire academic curriculum are the following Global Citizenship strands:

- Environmental Stewardship
- "Glocal" (Global/Local) Awareness and Communication
- Identity Formation
- Social Justice

The girls grow their capacities to build and protect strong communities through Hamlin’s commitment to sustainability and service. Since 2017, Hamlin has worked diligently to reduce its ecological footprint and to educate students in environmental stewardship. Instruction across subject areas deepens understanding of the natural world and its systems, with a focus on membership in the global community. Hamlin strives to embody sustainable practices including recycling, conserving water, composting snack and lunch remnants, taking public transportation on most field trips, using recycled or repurposed materials, and using digital tools instead of paper.

SCHOOL SPIRIT & THE HAMLIN SISTERHOOD

Nothing brings the joy of a girls’ school to life like songs and cheers. At Hamlin, we celebrate our school colors, Red and Gold, throughout the school year and within our Sister Families. Every girl is assigned to a color team and becomes a part of a Sister Family upon matriculation at Hamlin. The Athletics Ambassadors, our Grades 7 and 8 student leaders for Athletics and School Spirit, plan and lead Red and Gold Days and pep rallies three times per year. The culminating event for the Red and Gold teams is Field Day. This event is an annual tradition that features face painting and cheers, as well as individual and team events that result in a color team winner.

Additionally, Sister Families meet several times throughout the year to celebrate special traditions or to learn about a school-wide topic. These multi-age groups of approximately 12 girls are led by a Grade 7 or 8 student and include each member of our faculty and staff as well. Halloween, Thanksgiving, all-school assemblies, Earth Day, and school theme celebrations are common occasions for Sister Families to come together. These groups foster connection between the girls and build respect and empathy throughout the community.

Within Sister Families, every girl has a big sister. This relationship begins in Kindergarten, when the girls are matched with their Grade 4 big sister. Playtimes, snacks, and buddy reading are favorite activities. Sister Family events are treasured by girls of all ages.

Our service learning initiatives include a partnership with the Presidio Land Trust – Citizens for Science Project; student activities in partnership with Glide SF; Lava Mae, and Matter of Trust; Literary Lion book drive; and Hamlin Harvest. As part of Harvest, held annually in January, our students and their families plan, prepare, and share meals to support Hamilton Family Center in San Francisco. Grade 7 and 8 students also have the option to serve meals and read books to the residents of the center throughout the year. In addition to these more formal partnerships, every teacher at Hamlin is encouraged to embed service learning and outreach into their curricula and instructional plans. Current events often present great opportunities for the girls to engage authentically in caring for their communities and the world.
