With a history of excellence that dates back to 1863, The Hamlin School in San Francisco is the oldest non-sectarian school for girls in the western United States, serving 400 students throughout the Bay Area.

OUR MISSION
The Hamlin School educates girls to meet the challenges of their time and inspires them to become extraordinary thinkers and innovators, courageous leaders, and women of integrity.

OUR COMMUNITY
We are a vibrant, inclusive community where diversity of thought and experience is respected and viewed as essential to excellence. We welcome and benefit from the perspectives of people who differ in culture, ethnicity, family structure, financial capability, learning style, physical ability, race, religion, and sexual orientation. At Hamlin, myriad voices speak and are heard; active engagement of all is expected and important for the strength of the School community. Our shared values bind us together. Our interdependence and our individual differences are worthy of celebration.

OUR CREED
Compassion | Courage | Honesty | Respect | Responsibility
FROM THE CHAIR OF THE BOARD OF TRUSTEES

Dear Hamlin Community,

2016-2017 marked another year of excellence at Hamlin, and I was honored to be a part of it as I began my first year as Board Chair. In this role I continue the critical work of our incredible previous Board Chair, Anne Pedrero, and those before her in advancing the mission and goals of our school. It has been a privilege to work alongside Head of School Wanda M. Holland Greene over the last year. I have known Wanda for nearly 20 years, and as she wraps up her ninth year as Head of School and embarks upon her tenth, our school’s leadership is as strong as ever. Sarah Dix Hamlin would be proud to see today's place of learning that bears her name!

Hamlin’s mission is to "educate girls to meet the challenges of their time and inspire them to become extraordinary thinkers and innovators, courageous leaders and women of integrity," and that serves as the compass for our work as a Board. Our primary goals in the 2016-2017 school year were driven by our “Be Extraordinary” Strategic Plan, and I am proud of the work we have accomplished in supporting Wanda and her staff in advancing Hamlin’s mission and delivering on our program for the future; in maintaining the financial strength of the school; and in continuing to grow a vibrant and inclusive community at Hamlin.

Another important area of achievement to point out is the Board’s renewed commitment to academic and ethical excellence through employing, maintaining, and fairly compensating gifted, high quality educators. In 2016-2017 the Board (in conjunction with the Hamlin administrative team) conducted a thorough examination of regional independent school compensation schedules to ensure we were at or above the level of our peer schools. We went through the results role by role and made adjustments where necessary in order to continue to attract and maintain the highest caliber of teaching faculty and staff available.

I look forward to another year of excellence in 2017-2018. On behalf of our Board of Trustees, thank you for your commitment to Hamlin.

Sincerely,

Steve Walske
Chair, 2016-17 Board of Trustees
Dear Hamlin Community,

Over the past nine years, you have undoubtedly heard me say that one of the many great legacies left to us by our school’s founder, Sarah Dix Hamlin, is the audacious notion of educating girls to meet the challenges of their time. It is not enough to simply provide girls with knowledge, as Sarah believed then and I believe now; rather, we must equip them with the necessary tools and skills to address the most pressing needs of their day and age. At Hamlin, we teach girls to rise to challenges, not shy away from them; to be honest and to speak their truth, even when it is not the easy or popular thing to do; and to greet each day with the light of the Hamlin Creed (Compassion - Courage - Honesty - Respect - Responsibility) in their hearts. These powerful ideas were the inspiration behind my choice of the 2016-17 school year’s theme: “Rise and Shine.”

Our school shines because of our incredible community, from the visionary leadership of Sarah Dix Hamlin to the future leaders now studying within the walls of Hamlin and beyond. I am deeply grateful to the entire community for carrying on Miss Hamlin’s legacy with such clear purpose, enthusiasm, and love. This Annual Report is a compilation of that gratitude – thank you for making 2016-2017 another successful year for our girls and our school!

I would like to extend a special thank you to the Board of Trustees for its hard work and dedication throughout the year. We welcomed a new Board Chair this year, Steve Walske P’18, whom I have known since 1997 when our paths crossed at The Park School in Brookline, MA. We also bid a fond farewell at the end of the year to Parents Association President Andrea Zola P’19 & P’22 and Alumnae Board President Kasey Wayne ’88 & P’23. Andrea finished her second and final year as President of the Parents Association with a record-breaking PA donation to the school, and Kasey’s love for Hamlin, commitment to doing all things well, and passion for girls’ education led to several exciting developments in our alumnae engagement program. Thank you, Andrea and Kasey, for your leadership and service to the Hamlin community; we wish you both the best as you continue on to your next adventures, and we know we’ll still benefit from your love for the school. Finally, I want to extend my heartfelt thanks to Alison & Jim Haljun P’24 & P’26 and Mahika & Sanjay Shamdasani P’21 for their leadership of the Annual Fund. We achieved 100 percent parent participation for the fourth consecutive year, and our overall total reached an incredible $1.5 million. We could not have done it without you! What a dynamic team you were.

Program highlights of the year included robust learning experiences inside our vibrant corridors and classrooms; from the in-depth study of textiles and the design and creation of visual art in Kindergarten to another fantastic panoply of Influential Women in History in Grade 4, Lower School girls of all ages were definitely rising and shining! In the Middle School, we bid farewell to Ms. Helm (new head of school at The John Thomas Dye School in Bel Air, CA) and spent the year engrossed in conversations about the electoral college and presidential elections, women’s roles in classic and modern literature, app designs for social change, “three-act” mathematics problems, experiments in space as a part of NASA’s Cubes in Space program, and so much more. The Class of 2017, my first to shepherd from Kindergarten through Grade 8, closed the busy and joyful school year with a fantastic production of the Grade 8 musical Beauty and the Beast. Our teachers were learners too, many of them participating in a new mode of performance evaluation that involves deep engagement in action research projects; thoughtful practitioners in both divisions of the school investigated essential questions about the quality of teaching and learning at Hamlin. Some of the research topics included homework load and adolescent health, effective pedagogy and practice for introverted learners, the role of reflection and assessment in art classes, and determining and documenting the scope and sequence for K-8 computer science. Each day I am inspired by our community of learners and the respect that we all have for each other. I look to the future with great confidence and optimism because of the people with whom I work each day and because of the many people from Hamlin’s past who are the foundation of our success.

Thank you, one and all, for making 2016-2017 a shining example of what makes Hamlin so special!

With Affection and Appreciation,

Wanda M. Holland Greene
Head of School
Dear Members of the Hamlin Community,

As a result of your overwhelming generosity, we were able to reach 100 percent pledge participation in the Annual Fund from Hamlin families, faculty, staff, and Board members for the fourth consecutive year. Thanks to the generosity of our community, we were able to raise over $1,500,000. This is an achievement worth celebrating and it is a testament to the dedication and commitment of our very special Hamlin community. Thank you!

The Annual Fund is the most important fundraising effort of the year, helping Hamlin advance its legacy of excellence in education and providing our girls with the tools they need to meet the challenges of their time. As part of the current year’s operating budget, the Annual Fund provides vital program support for art, drama, athletics, outdoor education and classroom technology. In addition, the Annual Fund gives Hamlin the ability to attract and retain top teaching talent and provide financial aid.

Thanks to your support and the excellent work of our parent Annual Fund class representatives, we are fostering a culture of philanthropy and a tradition of stewardship at Hamlin. Your support ensures this legacy will grow for generations to come.

With love and gratitude,

Alison & Jim Haljun (Curran, class of 2024) and Mahika & Sanjay Shamdasani (Aanya, class of 2021)
2016-2017 Annual Fund Co-Chairs
Dear Members of the Hamlin Community,

It has been a true honor to serve as President of the Hamlin Parents Association and work in partnership with our dedicated parents to support Hamlin and our girls. I’d like to thank every single parent who helped out during the 2016-17 school year! Hamlin counts on the support of hundreds of parents to make our community thrive: from chaperoning field trips, to serving lunch each day, to chairing our fundraising events. Thanks to your generous contribution of time and resources, the Parents Association was able to donate a record-breaking $810,000 to enrich the education of our girls!

I’d like to extend my heartfelt thanks to the parents who chaired our major events: Lauren and Andrew Kowal for the Golf Classic & Fall Fiesta; Nikki George and Tamara Sypult for Winterfest; Betsy Ahlstrand and Nichole Sullivan for Hamlin Harvest; Jennifer Lindh and Becky Marcus-Woods for Grandparents & Special Friends Day; and Ted Bartlett, Bryan Giruado, Greg Harris, and Don James for the Spring Fundraiser, Old School Hamlin Style. These chairs, along with their hardworking committee members, put on fantastic events for our school. These events help cultivate the warm, vibrant, and inclusive community at Hamlin and also provide opportunities for lifelong friendships to develop.

I am deeply grateful for the leadership of the Parents Association Executive Committee: Sheila Cuthbert, Natasha Dalzell-Martinez, MC Gelbard, Nikki George, Mary Graf, Marian Heath, Christine Hinton, Mimi Rowe, Amy Rees, Ceileen Stenzler, Aditi Sreenivasan, Tamara Sypult, Frances Topacio, Jennifer VanderMarck, Art Weiss, and Kelly Woodruff.

2016-2017 was an outstanding year for our community, and we are looking forward to more fun and rewarding times ahead!

Sincerely,

Andrea Zola
2016-2017 President of the Parents Association

The Annual Fund is an annual fundraising drive that provides direct support to Hamlin's operating budget. **It is essential to the everyday functions of the school and is Hamlin's top fundraising priority.** The Annual Fund sustains a broad cross-section of the program, including everything from academics, the arts, and athletics, to technology and outdoor education. It also supports our talented and dedicated faculty and provides the resources they need to bring outstanding educational opportunities to our girls.

Hamlin strives for 100 percent participation in the Annual Fund. Every gift matters and makes a difference. Foundations and corporations view participation, particularly in the Annual Fund, as an indicator of a school's strength. High Annual Fund participation levels from parents, alumnae, faculty and staff can help the School raise crucial dollars from these kinds of funding organizations.

Thank you for your support and commitment to The Hamlin School!

Lifetime Friends

Hamlin's leadership in women's education is made possible by the continued generosity and commitment of the entire Hamlin community — trustees, parents, alumnae, faculty and staff, and friends of the School. The cumulative support of these individuals and families has provided the necessary foundation for our work to educate girls and young women to meet the challenges of their time.

Opportunities for Supporting Hamlin

Outright gifts of cash, pledges, and securities ensure the continuation of Hamlin's commitment to excellence in education for girls and young women.

Annual Fund
Gifts to the Annual Fund help make up the difference between tuition revenue and the actual costs of educating each Hamlin student. Annual Fund gifts support the operating budget and help Hamlin provide competitive faculty salaries, financial assistance, and expanded educational programs.

Endowment
Contributions to endowment programs provide long-term support to ensure Hamlin's financial stability. Funds give the School administration and trustees the flexibility, and confidence to grow, improve, and respond to strategic developments.

The school has four categories of endowment:

- **General Endowment**
  Earnings from gifts to the General Endowment are used to support the overall mission of the School.

- **Financial Assistance Endowment**
  Earnings from gifts to the Financial Assistance Endowment are used to provide financial assistance to qualified families.

- **Faculty Support Endowment**
  Earnings from gifts to the Faculty Support Endowment are used to support the faculty and the School's professional development program.

- **Facilities Endowment**
  Earnings from gifts to the Facilities Endowment are used to support Hamlin's physical plant.

Gifts in Kind
Donors may contribute items to Hamlin of a non-cash nature. Each year, members of the Hamlin community donate items of this kind, such as books and costumes.

Parents Association
Events sponsored by the Hamlin Parents Association raise funds for faculty enrichment, financial assistance, and extraordinary programs. Monies raised provide support for professional development opportunities and continuing education programs for Hamlin's teachers, tuition assistance for qualified families, and academic programs that make the Hamlin experience truly unique.

Legacy Giving
Contributions made through estate plans help build Hamlin's future financial security. Legacy gifts can be made in a variety of ways, including designating Hamlin as a beneficiary of a trust, insurance policy, or retirement plan, and depending on the vehicle, can be funded with cash, securities, real estate, or other property. Contributors can enjoy peace of mind knowing that beneficiaries are provided for as well as long-term financial benefits and tax savings.
