With a history of excellence that dates back to 1863, The Hamlin School in San Francisco is the oldest non-sectarian school for girls in the western United States, serving over 425 students throughout the Bay Area.

**OUR MISSION**
The Hamlin School educates girls to meet the challenges of their time and inspires them to become extraordinary thinkers and innovators, courageous leaders, and women of integrity.

**OUR COMMUNITY**
We are a vibrant, inclusive community where diversity of thought and experience is respected and viewed as essential to excellence. We welcome and benefit from the perspectives of people who differ in culture, ethnicity, family structure, financial capability, learning style, physical ability, race, religion, and sexual orientation. At Hamlin, myriad voices speak and are heard; active engagement of all is expected and important for the strength of the School community. Our shared values bind us together. Our interdependence and our individual differences are worthy of celebration.

**OUR CREED**
Compassion | Courage | Honesty | Respect | Responsibility
Dear Hamlin Community,

2017-2018 marked another year of excellence at Hamlin, and I was honored to be a part of it as I began my second year as Board Chair. 2017-18 also marked my own daughter's final year as a Hamlin girl, and I am grateful for the excellent academic preparation and life skills she received during her time at this beloved school. Hamlin's mission to "educate girls to meet the challenges of their time and inspire them to become extraordinary thinkers and innovators, courageous leaders, and women of integrity" serves as the compass for our work as a Board and continues to inspire the educational excellence that Hamlin is known for.

As we completed the final phase of Hamlin's 5-year "Be Extraordinary" strategic plan, I am proud of the work we have accomplished in maintaining and building on the school's "vital signs" of wellness: continued excellence in the educational program; high demand, selectivity, and yield in admissions; and strong high school placement. In addition, I am especially proud of the financial strength we have achieved over the last several years. 2017-18 was a stellar year of giving thanks to our Annual Fund and Spring Fundraiser (among other events), and we also moved past the halfway point of our Love, Hamlin capital campaign. These milestones were made possible thanks to the generous support of our community and reveal a strong ongoing commitment to our school and our girls.

I look forward to another year of excellence in 2018-2019. On behalf of our Board of Trustees, thank you for your commitment to Hamlin.

Sincerely,

Steve Walske
Chair, 2017-18 Board of Trustees
Parent of Savannah Walske ’18
Dear Hamlin Community,

As I concluded my ninth year as Head of School at Hamlin and began thinking about a theme for the 2017-18 school year, I couldn’t help but feel that our nation was at a crossroads. Incivility and polarization were (and still are) running rampant, with people often unable and/or unwilling to engage in respectful discourse. The remedy for some of these tough ailments, I believe, lies in excellent schools like Hamlin. We are the gatherers of talented, vivacious girls from all walks of life who seek to build bridges of understanding and support between people who vary widely in age, economic means, race, ethnicity, religion, and a host of other fascinating differences. Our girls are educated daily to meet the challenges of their time, thereby becoming the future healers of our nation. These powerful notions - and the desire for a healthy school, country, and world - were the driving factors behind the theme I ultimately chose for the year, May You Be Well.

Now more than ever, I am immensely proud to lead a mission-driven school that continues the critical work of our founder, Sarah Dix Hamlin-- work that is not possible without the generosity and support of you, our incredible Hamlin community. This Annual Report is a compilation of our deep gratitude and appreciation – thank you for making 2017-18 another successful year for our girls and our school!

I would like to extend a special thank you to the Board of Trustees, and to Board Chair Steve Walske P’18 in particular, for their hard work, dedication, and partnership throughout the year. We also had the joy of welcoming two new but familiar faces to leadership positions at the beginning of the school year: Mimi Rowe P’20 as Parents Association President and Candace (Chin) Yu ’96 as Alumnae Board President, both of whom have already put their mark on Hamlin events and engagement. Thank you, Mimi and Candace, for all that you do! Finally, I want to extend my heartfelt thanks to Alison & Jim Haljun P’24 & P’26 and Serena Fairchild P’21, Erin Lowenberg P’21 & P’23, and Brooke Read ’91 & P’21 for their leadership of the Annual Fund. Fittingly for this dynamic five-person faction, we achieved 100 percent parent participation for the fifth consecutive year, and our overall total reached an incredible $1.6 million. We could not have done it without you!

Program highlights of the 2017-18 school year included robust learning experiences inside our vibrant corridors and classrooms: from Kindergarten student-inspired units of study in dance, drama, and baking, to a symphony of handmade ukeleles in Grade 3, to a stunning underwater world featuring art and science masterpieces, to another proud parade of Influential Women in History in Grade 4. Lower School girls of all ages were definitely in their element! Speaking of Grade 4, we bid a bittersweet farewell at the end of the year to Jane Hillegas-Stommel, a Lower School teacher who dedicated twenty-one years of her professional career to Hamlin. We can’t wait to hear about her next adventure as she continues to make a positive difference in the world.

In the Middle School, the girls continue to think globally and act locally as they consider the ways in which they can meet the challenges of their time. We will not soon forget the raging fires and mudslides that affected so many lives this fall, and I am proud of the community outreach that was led by the girls to address the devastation. In addition, four passionate Grade 7 girls won the International Ocean Film Festival with their short film Strawbucks, and they are determined to rid our city of plastic straws in order to protect our oceans. Grade 6 girls worked with executives at Salesforce to create a bake sale app, and they sold baked goods for several months to raise money to break the cycle of poverty and support girls’ education through OneProsper International. One thing is for sure: Hamlin girls are not waiting for adulthood to start making a difference!

Our nation is beautiful yet imperfect, and our girls are digging in deeply and stretching widely across space and time; from our production of Shakespeare’s A MidSummer Night’s Dream to discussions of #MeToo, feminism, and gender equity in the workplace, the girls are learning about the complexity of being a woman in the 21st century. We were all inspired by our magnificent and world-famous Earth Day speaker, marine biologist and ocean explorer Dr. Sylvia Earle, and we concluded the year immersed in the powerful words of Secretary Hillary Rodham Clinton at the graduation of the Class of 2018: Be Brave. Be Resilient. Be Kind. Be Grateful.

Thank you, one and all, for making 2017-18 another extraordinary year for our girls. May you, and may we all, be well!

With Affection and Appreciation,

Wanda M. Holland Greene
Head of School
Dear Members of the Hamlin Community,

What a wonderful Annual Fund year this was for Hamlin! As a result of your overwhelming generosity, we were able to reach 100 percent participation from all current Hamlin families, faculty, staff, and Board members for the fifth consecutive year and raise over $1,600,000! This is truly an achievement worth celebrating and it is a testament to the dedication and commitment of our very special Hamlin community.

The Annual Fund is the most important fundraising effort of the year, helping Hamlin advance its legacy of excellence in education and providing our girls with the tools they need to meet the challenges of their time. As part of the current year's operating budget, the Annual Fund touches every part of campus and influences each student's experience. It provides vital program support for STEM, art, and outdoor education and improved classroom technology. In addition, the Annual Fund gives Hamlin the ability to attract and retain top teaching talent and a diverse student body through competitive faculty compensation and financial aid.

We would also like to extend a special thank you to the excellent work of our class parent Annual Fund volunteers, the Advancement Team, and Hamlin's charismatic leader, Wanda M. Holland Greene. Together, we are continuing to build a culture of philanthropy and a tradition of stewardship at Hamlin that will grow for generations to come.

With love and gratitude,

Serena Fairchild (Margaux ’21)
Alison & Jim Haljun (Curran ’24 and Blaney ’26)
Erin Lowenberg (Annabelle ’21 and Georgia ’23)
Brooke Adams Read ’91 (Isabelle ’21)

2017-2018 Annual Fund Co-Chairs
Dear Members of the Hamlin Community,

After several years of volunteering at Hamlin, it was an honor to serve as President of the Parents Association during the 2017-18 school year. The PA plays a critical role in supporting the entire Hamlin community, and 2017-18 was a year full of incredible events and volunteer turnout. Thank you to every single parent who helped out during the school year! From lunch duty to volunteering at and attending events to shelving books at the library, it truly takes a village. Thanks to your generous contributions of time and resources, the Parents Association was able to donate $720,000 to support Excellence Every Day at Hamlin!

Special thanks to the parents who chaired our major events in 2017-18: Rebecca & Will Dearie for the Endless Summer Golf Classic; Nikki George and Tamara Sypult for Winterfest (their second year in a row!); Betsy Ahlstrand and Nichole Sullivan for Hamlin Harvest; Elizabeth Dawson, Jennifer Lindh, and Becky Marcus-Woods for Grandparents & Special Friends Day; and Ginger Braun, Kasey Wayne, and Kelly Woodruff for the super spirited Red & Gold Spring Fundraiser. These chairs, along with their hardworking committee members and hundreds of volunteers, put on fantastic events for our school that further contributed to the warm, vibrant, and inclusive community that Hamlin is known for.

I am also deeply grateful for the leadership of the entire Parents Association Executive Committee and of our Head of School, Wanda M. Holland Greene. I look forward to serving a second term as PA President in 2018-2019 and to continue working with our fantastic parent community!

Sincerely,

Mimi Rowe
2017-2018 President of the Parents Association

2017-2018 ANNUAL FUND

The Annual Fund is an annual fundraising drive that provides direct support to Hamlin's operating budget. **It is essential to the everyday functions of the school and is Hamlin's top fundraising priority.** The Annual Fund sustains a broad cross-section of the program, including everything from academics, the arts, and athletics, to technology and outdoor education. It also supports our talented and dedicated faculty and provides the resources they need to bring outstanding educational opportunities to our girls.

Hamlin strives for 100 percent participation in the Annual Fund. Every gift matters and makes a difference. Foundations and corporations view participation, particularly in the Annual Fund, as an indicator of a school’s strength. High Annual Fund participation levels from parents, alumnae, faculty and staff can help the School raise crucial dollars from these kinds of funding organizations.

Thank you for your support and commitment to The Hamlin School!

Love, Hamlin Capital Campaign Donors

Love, Hamlin is a vision that calls for a once in a lifetime physical transformation of McKinne, the addition of an outdoor teaching terrace, the unification of our three-building campus, and endowment support for our extraordinary faculty and increased access to ensure that the best and brightest girls are able to join the Hamlin community. This is the campaign that will make the key difference to Hamlin girls for generations to come.

Lifetime Friends

Hamlin's leadership in women's education is made possible by the continued generosity and commitment of the entire Hamlin community — trustees, parents, alumnae, faculty and staff, and friends of the School. The cumulative support of these individuals and families has provided the necessary foundation for our work to educate girls and young women to meet the challenges of their time.

OPPORTUNITIES FOR SUPPORTING HAMLIN

Outright gifts of cash, pledges, and securities ensure the continuation of Hamlin's commitment to excellence in education for girls and young women.

ANNUAL FUND

Gifts to the Annual Fund help make up the difference between tuition revenue and the actual costs of educating each Hamlin student. Annual Fund gifts support the operating budget and help Hamlin provide competitive faculty salaries, financial assistance, and expanded educational programs.

ENDOWMENT

Contributions to endowment programs provide long-term support to ensure Hamlin's financial stability. Funds give the School administration and trustees the flexibility, and confidence to grow, improve, and respond to strategic developments.

The school has four categories of endowment:

- **General Endowment**
  Earnings from gifts to the General Endowment are used to support the overall mission of the School.

- **Financial Assistance Endowment**
  Earnings from gifts to the Financial Assistance Endowment are used to provide financial assistance to qualified families.

- **Faculty Support Endowment**
  Earnings from gifts to the Faculty Support Endowment are used to support the faculty and the School's professional development program.

- **Facilities Endowment**
  Earnings from gifts to the Facilities Endowment are used to support Hamlin's physical plant.

GIFTS IN KIND

Donors may contribute items to Hamlin of a non-cash nature. Each year, members of the Hamlin community donate items of this kind, such as books and costumes.

PARENTS ASSOCIATION

Events sponsored by the Hamlin Parents Association raise funds for faculty enrichment, financial assistance, and extraordinary programs. Monies raised provide support for professional development opportunities and continuing education programs for Hamlin's teachers, tuition assistance for qualified families, and academic programs that make the Hamlin experience truly unique.

LEGACY GIVING

Contributions made through estate plans help build Hamlin's future financial security. Legacy gifts can be made in a variety of ways, including designating Hamlin as a beneficiary of a trust, insurance policy, or retirement plan, and depending on the vehicle, can be funded with cash, securities, real estate, or other property. Contributors can enjoy peace of mind knowing that beneficiaries are provided for as well as long-term financial benefits and tax savings.
