The Hamlin School Mission and Creed

With a history of excellence that dates back to 1863, The Hamlin School in San Francisco is the oldest non-sectarian school for girls in the western United States, serving over 425 students throughout the Bay Area.

OUR MISSION
The Hamlin School educates girls to meet the challenges of their time and inspires them to become extraordinary thinkers and innovators, courageous leaders, and women of integrity.

OUR COMMUNITY
We are a vibrant, inclusive community where diversity of thought and experience is respected and viewed as essential to excellence. We welcome and benefit from the perspectives of people who differ in culture, ethnicity, family structure, financial capability, learning style, physical ability, race, religion, and sexual orientation. At Hamlin, myriad voices speak and are heard; active engagement of all is expected and important for the strength of the School community. Our shared values bind us together. Our interdependence and our individual differences are worthy of celebration.

OUR CREED
Compassion | Courage | Honesty | Respect | Responsibility
Dear Hamlin Community,

2018-19 marked my third and final year as Board Chair at Hamlin. During this time, it has been an honor to partner with our Head of School Wanda M. Holland Greene and to lead our Board, an incredibly talented group of individuals who are committed to our school's mission of "educating girls to meet the challenges of their time and inspire them to become extraordinary thinkers and innovators, courageous leaders, and women of integrity." Hamlin's mission serves as the compass for the work of the Board and continues to inspire the educational excellence that our school is known for.

Over the last several years, I am proud of the work we accomplished in maintaining and building on the school's "vital signs" of wellness: continued excellence in the educational program; high demand, selectivity, and yield in admissions; and strong high school placement. The financial strength we achieved thanks to our community's broad and generous support of the Annual Fund and Spring Fundraiser (among other events) has also laid a strong foundation for Hamlin's continued success. Finally, I am grateful to have had the opportunity to help guide our Love, Hamlin capital campaign as we prepare to make Hamlin's vision for the future a reality. An increased endowment has already enabled us to increase faculty and staff salaries to be in the upper quartile of our peer schools, and in 2020-21 we will break ground on a construction project to unify and transform Hamlin's urban campus in a way that matches our innovative program and curriculum.

I would like to thank each and every one of you for supporting Hamlin on this remarkable journey. Together, we are building on the legacy of Sarah Dix Hamlin and creating a brighter future for our girls.

Sincerely,

Steve Walske
Chair, 2018-19 Board of Trustees

From the Head of School

Dear Hamlin Community,

On August 29, 2018, The Hamlin School opened its doors for the 155th time. Although much has changed over the last century and a half, our mission to educate girls to meet the challenges of their time has remained constant. When Sarah Dix Hamlin established a school to address the lack of educational opportunities for girls and young women in the late 19th century, I wonder if she could have ever imagined that the school would still be talked about, celebrated, and at the forefront of educational excellence over 150 years later. Her legacy lives on at Hamlin every day, and her pioneering spirit reminds us that one courageous leader truly can make a lasting difference.

Hamlin girls are and always have been changemakers and creators of a more just and healthy world. They continue to showcase the enduring power of a Hamlin education, and they are the inspiration behind our theme for the 2018-19 school year: What You Do Matters. What we do at Hamlin matters. What we do in our neighborhood and in our world matter. How we connect with each other matters. What we say to our children matters. Therefore, let us continue to love and lead with more civility, more kindness, more careful attention, and more focus on our purpose. Please enjoy this Annual Report, which is a compilation of our gratitude and a true testament to the power of what we can do together!

I would like to extend a special thank you to the Board of Trustees for its hard work and dedication, and to Steve Walske P'18 in particular for his partnership over the last three years as Board Chair. We wish him the best of luck on his next adventure in Southern California! At the end of the 2018-19 school year, we also bid a fond farewell to our outgoing Parents Association President Mimi Rowe P'20 and Alumnae Board President Candace (Chin) Yu '96. Thank you, Mimi and Candace, for everything you did and continue to do for Hamlin! Finally, I want to extend my heartfelt thanks to Serena Fairchild P'21, Courtney & Bryan Giraudo P’21 & P’25, Erin Lowenberg P’21 & P’23, and Brooke Read ’91 & P’21 for their leadership of the Annual Fund. Under the leadership of this dynamic quintet, we achieved 100 percent parent participation for the sixth consecutive year, and our overall total reached an incredible $1.8 million. We could not have done it without you!

Program highlights of the 2018-19 school year included joyful and engaging learning inside our vibrant classrooms: by the end of the year, our Kindergarten girls had become orthopaedists and oceanographers, first graders were reading up a storm, second graders were polishing off their math facts, third graders were discussing and debunking stereotypes in the media, and our Grade 4 girls were presenting a proposal to purchase more books celebrating diversity, sharing their wisdom on panels after admissions tours, and gracing the stage at The Century Club as Influential Women in History. Who says that a Hamlin girl has to wait until her Middle School years to feel like an expert or to be leader? Not a chance!

In the Middle School, girls at all grade levels honed their skills and grappled with big-picture questions about identity, democracy, and leadership. Perhaps most memorable at the year’s end were the culminating projects at each grade level: Grade 5 showcasing the cultural distinctiveness of the geographic regions of the United States; Grade 6’s Symposium focusing on equity, inclusion, and a just society; Grade 7 girls’ exhibitions in the Great Hall featuring their Rise to the Challenge research and activism; and the Grade 8 musical, Willy Wonka Jr. Not too far into the dramaturgic research, Grade 8 students discovered deeply upsetting information about Roald Dahl’s anti-Semitic, racist, and misogynistic beliefs, and they met with their teachers and school administrators to discuss whether they should be performing this musical given Hamlin’s mission and values. Could we separate the art from the artist? Should we? After a great deal of discussion, we went forward with the Dahl musical, but the girls would make profoundly important changes to the script in order to make it Hamlin’s own. In the end, the incredible performance shined a spotlight on the finest messages and moments of the original musical while also illuminating Roald Dahl’s beliefs. Who says that a Hamlin girl has to wait until her high school years to be an informed citizen and courageous upstander? Not a chance!

After eleven years of leadership, I continue to delight in all things Hamlin. We have had another productive and successful year, and the best is yet to come as we develop our next strategic plan and prepare for our campus transformation. Thank you, one and all, for making 2018-19 another extraordinary year for our girls. What We Do Matters!

With Affection and Appreciation,

Wanda M. Holland Greene
Head of School
Dear Members of the Hamlin Community,

In 2018-19 we celebrated another successful year for Hamlin’s Annual Fund. As a result of your overwhelming generosity, we were able to reach 100 percent participation from all current Hamlin families, faculty, staff, and Board members for the sixth consecutive year and raise over $1,800,000! This is truly a remarkable achievement and a testament to the dedication and commitment of our community.

The Annual Fund is the backbone of our school’s operating budget and the most important fundraising effort of the year, helping Hamlin advance its legacy of excellence in education and providing our girls with the tools they need to meet the challenges of their time. It touches every part of the program and campus and gives Hamlin the ability to attract and retain top teaching talent and deserving students from across the Bay Area and beyond.

Thank you for your support! We would also like to extend a special thank you to our class Annual Fund volunteers, the Advancement Team, and Head of School Wanda M. Holland Greene for their partnership. Together, we are continuing to build a culture of philanthropy and a tradition of stewardship at Hamlin that will grow for generations to come.

With love and gratitude,

Serena Fairchild (Margaux ‘21)
Courtney & Bryan Giraudo (Sydney ‘21 and Caroline ‘25)
Erin Lowenberg (Annabelle ‘21 and Georgia ‘23)
Brooke Adams Read ‘91 (Isabelle ‘21)

2018-2019 Annual Fund Co-Chairs
Dear Members of the Hamlin Community,

2018-19 was bittersweet as I served my second and final year as President of the Parents Association, but what a year it was! Thank you to every single parent who volunteered their time and support. As a result of your generosity and partnership, we had an incredible year of successful events and parent-led initiatives, and were able to donate $770,000 to support Excellence Every Day at Hamlin!

Special thanks to the parents who chaired our major events in 2018-19, and to the hundreds of volunteers and committee members who helped make them a success. It truly takes a village, and none of our events would be possible without you! I am also deeply grateful for the leadership of the entire Parents Association Executive Committee and of our Head of School, Wanda M. Holland Greene.

As I pass the baton to Jung O’Donnell, our 2019-20 Parents Association President, I would like to thank everyone for their generous support over the last two years and for continuing to build the warm, vibrant, and inclusive community that Hamlin is known for. Even though 2019-20 is my final year as a Hamlin parent, each and every one of us will forever be part of the incredible Hamlin community.

Sincerely,

Mimi Rowe
2018-2019 President of the Parents Association
Parent of Blair Rodzewicz ’20

2018-2019 ANNUAL FUND

The Annual Fund is an annual fundraising drive that provides direct support to Hamlin's operating budget. **It is essential to the everyday functions of the school and is Hamlin's top fundraising priority.** The Annual Fund sustains a broad cross-section of the program, including everything from academics, the arts, and athletics, to technology and outdoor education. It also supports our talented and dedicated faculty and provides the resources they need to bring outstanding educational opportunities to our girls.

Hamlin strives for 100 percent participation in the Annual Fund. Every gift matters and makes a difference. Foundations and corporations view participation, particularly in the Annual Fund, as an indicator of a school’s strength. High Annual Fund participation levels from parents, alumnae, faculty and staff can help the School raise crucial dollars from these kinds of funding organizations.

Thank you for your support and commitment to The Hamlin School!

Love, Hamlin is a vision that calls for a once in a lifetime physical transformation of McKinne, the addition of an outdoor teaching terrace, the unification of our three-building campus, and endowment support for our extraordinary faculty and increased access to ensure that the best and brightest girls are able to join the Hamlin community. This is the campaign that will make the key difference to Hamlin girls for generations to come.

Hamlin’s leadership in women’s education is made possible by the continued generosity and commitment of the entire Hamlin community — trustees, parents, alumnae, faculty and staff, and friends of the School. The cumulative support of these individuals and families has provided the necessary foundation for our work to educate girls and young women to meet the challenges of their time.

Opportunities for Supporting Hamlin

Outright gifts of cash, pledges, and securities ensure the continuation of Hamlin’s commitment to excellence in education for girls and young women.

Annual Fund
Gifts to the Annual Fund help make up the difference between tuition revenue and the actual costs of educating each Hamlin student. Annual Fund gifts support the operating budget and help Hamlin provide competitive faculty salaries, financial assistance, and expanded educational programs.

Endowment
Contributions to endowment programs provide long-term support to ensure Hamlin’s financial stability. Funds give the School administration and trustees the flexibility, and confidence to grow, improve, and respond to strategic developments.

The school has four categories of endowment:

- **General Endowment**
  Earnings from gifts to the General Endowment are used to support the overall mission of the School.

- **Financial Assistance Endowment**
  Earnings from gifts to the Financial Assistance Endowment are used to provide financial assistance to qualified families.

- **Faculty Support Endowment**
  Earnings from gifts to the Faculty Support Endowment are used to support the faculty and the School’s professional development program.

- **Facilities Endowment**
  Earnings from gifts to the Facilities Endowment are used to support Hamlin’s physical plant.

Gifts in Kind
Donors may contribute items to Hamlin of a non-cash nature. Each year, members of the Hamlin community donate items of this kind, such as books and costumes.

Parents Association
Events sponsored by the Hamlin Parents Association raise funds for faculty enrichment, financial assistance, and extraordinary programs. Monies raised provide support for professional development opportunities and continuing education programs for Hamlin’s teachers, tuition assistance for qualified families, and academic programs that make the Hamlin experience truly unique.

Legacy Giving
Contributions made through estate plans help build Hamlin’s future financial security. Legacy gifts can be made in a variety of ways, including designating Hamlin as a beneficiary of a trust, insurance policy, or retirement plan, and depending on the vehicle, can be funded with cash, securities, real estate, or other property. Contributors can enjoy peace of mind knowing that beneficiaries are provided for as well as long-term financial benefits and tax savings.
